TOWN OF
HIGH LEVEL

Office of the CAO

November 9, 2025

To Whom It May Concern:

It is my distinct pleasure to recommend Mrs. Daphne Thomson, who serves as Acting Director of Corporate Services for the Town of High Level. In this role, Mrs. Thomson has consistently demonstrated exemplary leadership, strategic foresight, and an unwavering commitment to public service excellence.

Throughout her tenure, Daphne has played a pivotal role in modernizing and streamlining the Town's legislative and administrative functions. She led the successful implementation of our digital agenda management system, developed a comprehensive and user-friendly procedures manual, and reengineered internal workflows to ensure full compliance with the *Municipal Government Act* and associated legislation.

Her oversight of the Council and Committee agenda process has been marked by precision, timeliness, and a deep understanding of legislative requirements. Daphne also designed and deployed a resolution-tracking system, facilitated *Access to Information and Protection of Privacy Act* compliance training across departments, and championed the review and modernization of key governance bylaws, including the CAO Bylaw and Council Procedural Bylaw.

These initiatives have significantly enhanced transparency, operational efficiency, and interdepartmental accountability. Her work has not only improved day-to-day operations but also laid a strong foundation for long-term governance excellence.

Daphne's professionalism, technical acumen, and forward-thinking approach have been instrumental in aligning the Town's corporate services with the strategic priorities outlined in our 2022–2026 Strategic Plan. Her contributions have shaped the organization in meaningful and lasting ways.

I offer my highest recommendation for Mrs. Thomson without reservation.

Yours truly,

Viv Thoss
Chief Administrative Officer
